Reminder on Use of the Federal Form

Status Update

- There have been questions about the use of the Federal Forms.
- City and Town Clerks are not named parties in the lawsuit so are not responsible for providing Federal Forms. You can refer requests to www.eac.gov where the forms can be printed or to our website which also links to the Election Assistance Commission.

Status Update

Procedures Manual Process

- For Federal VR Forms turned in that have an ID number listed, those numbers will be used to help identify the applicant and ensure that the correct person is registered or has their registration updated.
- If the applicant puts “NONE” in that field a unique number will be provided by the Secretary of State’s office.

Status Update

Procedures Manual Process

- No Federal Forms are rejected.
- All information will be keyed.
- All registrations interface with the statewide system and the MVD database.
- If an ID number is not provided and the applicant can not be verified (duplicates with same name/DOB or no match) the record is put on suspense and the voter notified.

Status Update

Procedures Manual Process

- Voters in this situation have until 7 PM on Election Day to provide the necessary information.
- If they request an EV our staff will be able to speak to the voter and get the necessary information.
- If they go to the polls they will vote a provisional ballot (they will not be in the Signature Roster since their record is on suspense) and that information will be used.

Corrections & Oversight

Corrections & Oversight

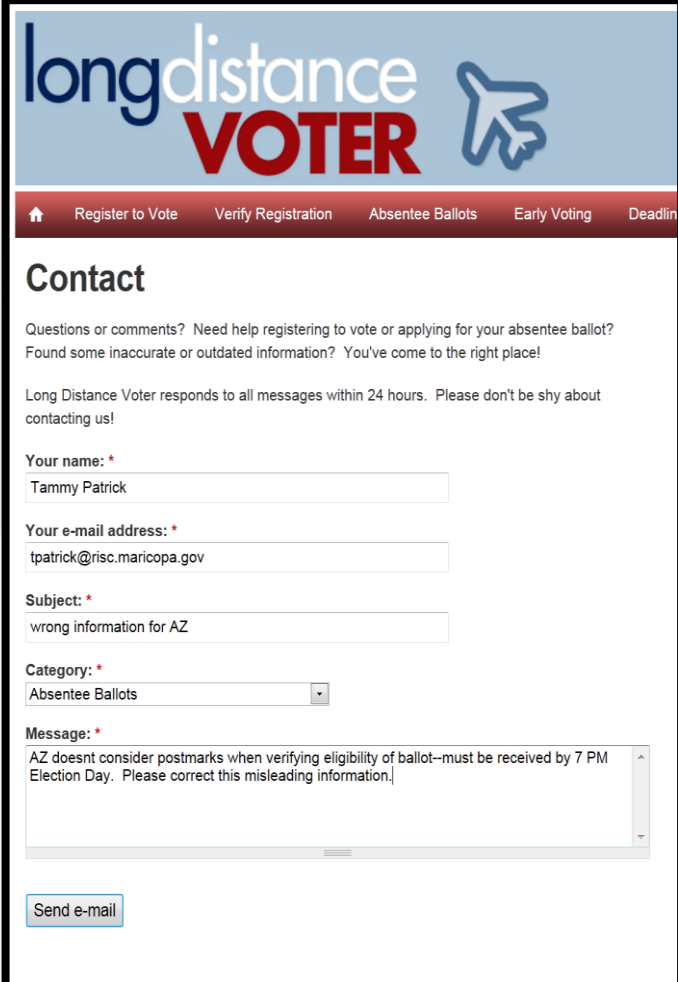

- MCED constantly monitors websites to ensure that voters are getting the correct information.
- When things are not correct, or misleading, we try to rectify.

Frequently Asked Questions

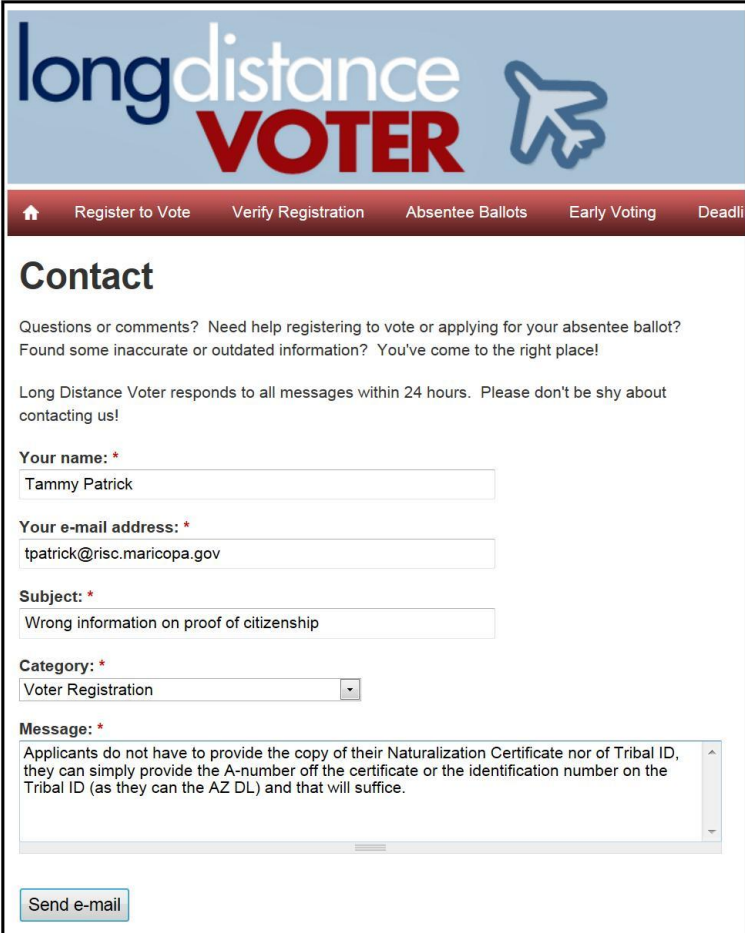

How do I meet the proof of citizenship requirements when registering to vote?

Your voter registration form will be rejected if it does not include proof of citizenship. If you have an Arizona state issued ID (driver license or non-operating identification card issued after October 1, 1996) this will serve as proof of citizenship and no additional documents are needed. If not, you must attach one of the following documents:

- A legible photocopy of a birth certification that verifies citizenship and supporting legal documentation (i.e. marriage certificate) if the name on the birth certificate is not the same as your current legal name
- A legible photocopy of the pertinent pages of your passport
- A copy of your U.S. naturalization documents
- A copy of your Tribal Certificate of Indian Blood or Tribal or Bureau of Indian Affairs Affidavit of Birth

Applicants do not have to provide the copy of their Naturalization Certificate nor of Tribal ID, they can simply provide the A-number off the certificate or the identification number on the Tribal ID (as they can the AZ DL) and that will suffice.

Media: Wyoming Star Tribune

- The Pew Center on the States sends out a daily collection of news articles in “*The Stateline Daily*” .
- I was surprised by this article in Wyoming:

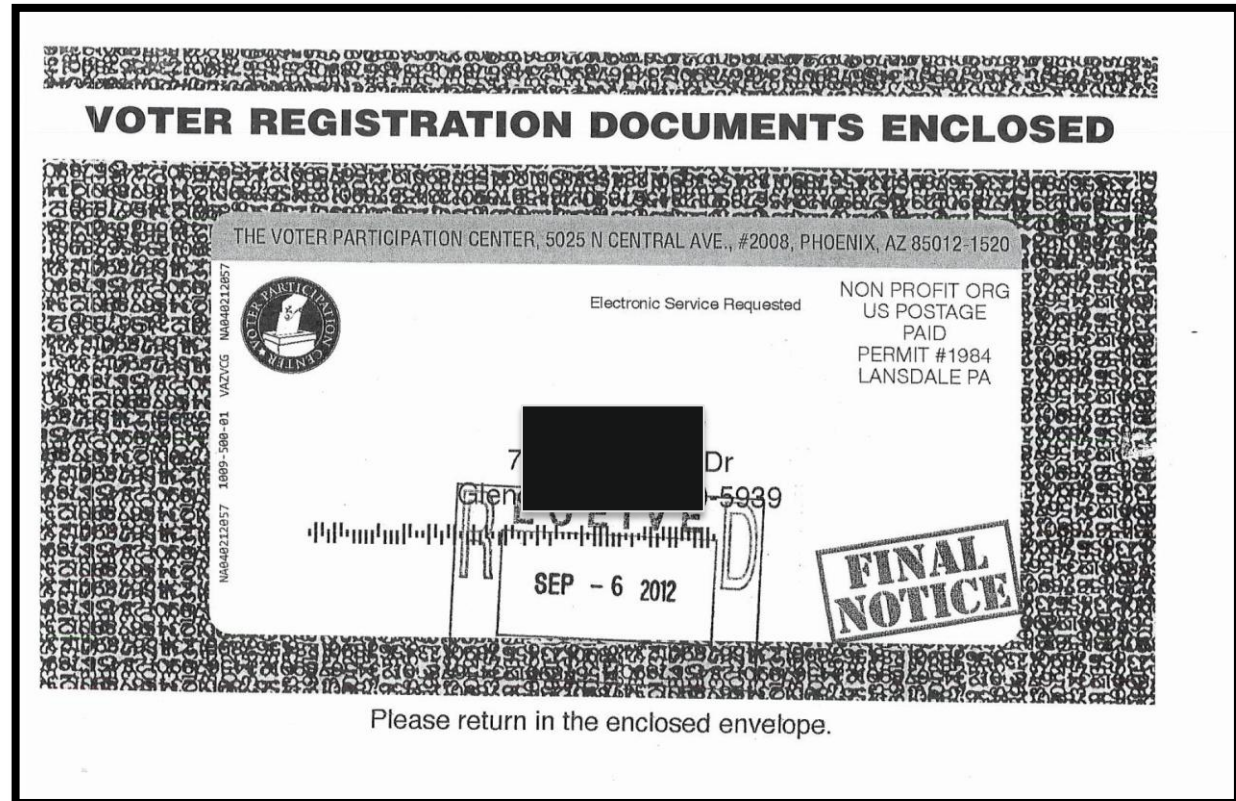

After contacting the reporter this was corrected on the online version.

WY: Wyoming is one of the toughest states for ex-felon voting rights
Wyoming remains the third most burdensome state in which to regain voting rights, say experts. Only two states, Arizona and Nebraska, prohibit ex-felons of all stripes from having their rights reinstated. All but 11 states permit ex-felons to vote with no restrictions.

- We got hundreds of calls from voters who got this mailer:

Oversight: What gets mailed to our voters?

- Voters were confused because it appears to be an official document from our office, but it isn't.
- Many of the voters were already registered, while others were not qualified...such as a 14 year old girl who got the mailing!
